

Young Plumbing Services
SMS Terms and Conditions

Young Plumbing Services will often use SMS (text) messaging to communicate with our customers. These messages will be used to communicate customer specials on rare occasions. The majority of messages will be to communicate statuses of current jobs as requested by the customer or to schedule necessary services.

Customers can also expect to receive messages for appointment reminders and confirmations.

The frequency of these messages will be minimal as in 1-3 per visit, but may be more frequent if the customer prefers to utilize text messaging to communicate with our office.

**Message and Data rates may apply when using SMS with our office based on the customer's cellular provider. Young Plumbing has no control over any fees incurred by the customer from their cellular provider.

**If you no longer wish to receive communication via text message from our office, you may reply STOP. Or, you can reply HELP if you need further assistance.

If customers have any questions, they can contact our office via email at office@youngplumbingservices.com.

They may also call our office at 864-933-0984.

Customers can unsubscribe from automated texts at any time by replying STOP.
